For information on planned traffic routes, please refer to the following webmap: [Link to webmap](#)
For near-real time updates on the city of Ottawa road closures and traffic updates, please refer to
[Traffic.Ottawa.ca](#) and updates on @Ottawa_Traffic and @Ottawa_Circule.

Overview

- Effective 15 Jan, COVID-19 vaccination became mandatory for all truckers entering Canada from the United States to avoid a two-week quarantine and a negative COVID-19 test before arrival.
- Similarly, beginning on 22 Jan, U.S. DHS began requiring non-U.S. individuals seeking to enter the United States via land ports of entry and ferry terminals at the U.S.- Mexico and U.S.- Canada borders to be fully vaccinated for COVID-19 and provide related proof of vaccination, as COVID-19 cases continue to rise nationwide. These new restrictions will apply to non-U.S. individuals who are traveling for both essential and non-essential reasons. They will not apply to U.S. citizens, Lawful Permanent Residents, or U.S. nationals.” [Link](#)

Overall Assessment: (derived from information available on open sources):

- OPP is advising motorists to avoid travel on Hwy417 and Hwy416 in Ottawa Saturday due to major delays associated with the truck Convoy. [Link](#)
- Ottawa Police, the OPP and the RCMP as well as the City of Ottawa, are aware of and are coordinating a response to the progress of the various convoys.
- Since most government employees are working remotely, the disruption to government activities is expected to be minor.
- OP INTERSECT is indicating that this will be a significant and extremely fluid event that could go on for a prolonged period.
- Organizers of the protest have expressed the intent for a peaceful event, which is consistent with what has been seen in other areas where the convoy has stopped so far.

On behalf of Deryck Trehearne, DG Government Operations Centre.

Thank you.
